

White Floor Polish

Ultra-high solids floor polish

Premium, metallised emulsion floor polish for prestigious areas. Dries to an extra durable, brilliant, wet look, slip resistant finish.

Superior response to high and ultra-high speed burnishing.

Extremely scuff resistant - easier to clean and maintain.

- Ideal for very high traffic areas.
- Excellent levelling properties for easy application and to ensure a smooth even finish.
- Suitable for most hard floors including vinyl, rubber, linoleum, terrazzo and sealed surfaces.
- Coverage per 5 L - 400/500sq. metres for 1 coat.
- Suitable for POLYFLOR flooring.

Floor Polishing:

1. Ensure floor is clean, dry and neutral. Use undiluted.
2. Pour polish into clean bucket or tray, alternatively pour directly onto the floor in a thin line.
3. Place clean mop or applicator into polish and spread thinly and evenly in WEST to EAST direction.
4. Leave to dry for approximately 30 minutes.
5. Apply a further coat of polish thinly and evenly at right angles to first i.e NORTH to SOUTH. Leave a 10cm gap at the floor edge to avoid build-up. Allow to dry for approx. 30 min
6. Leave to dry for aproximatley 30 minutes.
7. A third coat may be required in heavy traffic areas or on old or worn floors.

5 L

Order Code:
C100

Product Information:

Appearance: Opaque white liquid

Odour: Characteristic

pH - undiluted: 8.6

Shelf life: 3 years

This product is manufactured in the U.K. under an ISO 9001 Quality Management System Cert. No. FM 09535 and an ISO 14001 Environmental Management System Cert. No. EMS 506072 registered by the British Standards Institution.
