

Amber Fast Stripper

High active floor polish stripper.

'Unlocks' metallised emulsion polish to make removal easy. Ideal for all hard surface scrub cleaning jobs.

Low foaming formulation.

Economical in use.

- Strips emulsion floor polish from linoleum, rubber, sealed wood, terrazzo and thermoplastic floors.
- Suitable for use as a detergent for removal of impacted dirt from concrete, quarry tile and non-porous surfaces.
- Penetrating action rapidly loosens dirt and heavy build-ups.
- Recommended for use with scrubbing machines.

Polish Stripping:

1. Dilute 1 part Amber to 10 parts of hot water.
2. Mop floor and allow to soak for 10-15 minutes.
3. Scrub thoroughly preferably with a scrubbing pad.
4. Remove solution with a mop or suction dryer.
5. Rinse thoroughly and allow to dry before reapplying polish.
